

STAT

December 14, 1951

Dear Mike:

Many thanks for yours of December 3rd which just reached me yesterday. It was good to hear from you and the attached memo is very helpful. We are all glad to know that you will be back in Washington on the 22nd. I, in particular, am terribly eager to hear all about everything.

Meanwhile, with warm good wishes,

Yours ever,

STAT

Mr. Michael Corson
